

Early Bird

If you've found the perfect home in an ideal location, why wait?

With our Early Bird[#] scheme, you can be amongst the first in line to catch your preferred plot and secure your new Gleeson home!

How does it work?

Our Early Bird scheme, available on selected plots and developments, means you won't miss the opportunity to secure your dream home. With an Early Bird reservation, as soon as we release the plot for sale, you'll be notified by our team to check if you wish to proceed into a full and formal reservation before it becomes available to the public.

At this point, we'll confirm the exact house price with you and discuss the next steps to make it an official reservation. You will have 48 hours from us contacting you to decide if you wish to proceed into a formal reservation agreement.

Ready to be an Early Bird and reserve your dream home?

If you've found your preferred plot at one of our sought-after locations, speak to one of our dedicated Sales Executives to find out if your chosen plot and development is eligible for this scheme. Then you can sit back and wait for us to notify you when the plot is ready for full reservation; it's as simple as that!

To find out more about our Early Bird scheme, please speak to a Gleeson Sales Executive.
